

CONGRATULATIONS TO THE NEW 25 YEAR CLUB MEMBERS OF 2017

To be honored on March 5, 2018

The 25 Year Club of Iowa State University was informally founded in 1915 when members of the staff who had served at least 25 years were honored at convocation. The organization was formalized in 1934 under the direction of the late Harold E. Pride, former Secretary of the Iowa State College Alumni Association. The Club charter was signed on June 9, 1934 by 43 members of the ISU staff. The purpose of the 25 Year Club is to honor the loyal service of Iowa State faculty and staff.

As Colonel Pride wrote to the charter members, "Staff members who have served the College as long as you have come to personify the College to her Alumni. Buildings and land do not make a college; it is the men and women of the staff who make any college...."

Special recognition will be given to those employees who completed 25, 35, 45 and 50 years of continuous service to Iowa State University during the calendar year of 2017. They are the following:
