Conference Mission
The purpose of this conference is to establish a meaningful dialogue among health professionals by focusing on trending topics, best practices and strategies for addressing barriers in behavioral health.

Conference Scope:
- Provide education to enhance the knowledge of the behavioral health workforce.
- Develop strength within each system discipline and increase collaboration between system partners for coordinated response to substance use and problem gambling.

Registration is available online. Pre-conference is free to attend. Cost for the Conference is $30 per day or $50 for both days. Each day includes up to five hours of virtual live sessions.

For information about continuing education, please visit the Continuing Education page of the event website: https://www.regcytes.extension.iastate.edu/gcsa/continuing-education/

The target audience for this conference is community service providers and health professionals who would benefit from behavioral health education.

The conference has been approved for AMA PRA Category 1 Credit™, AOA Category 2-A credit, and nursing continuing education contact hours.
