

## CONFERENCE MISSION

The purpose of this conference is to establish a meaningful dialogue among health professionals by focusing on trending topics, best practices and strategies for addressing barriers in behavioral health.

## CONFERENCE SCOPE

- ▶ Provide education to enhance the knowledge of the behavioral health workforce.
- ▶ Develop strength within each system discipline and increase collaboration between system partners for coordinated response to substance use and problem gambling.

Registration is available online; <https://www.regcytes.extension.iastate.edu/gcsa/>  
Pre-conference is free to attend. Cost for the Conference is \$15 per day or \$25 for both days. Each day includes 6 hours of virtual live sessions.

For information about continuing education, please visit the Continuing Education page of the event website: <https://www.regcytes.extension.iastate.edu/gcsa/continuing-education/>

**The target audience for this conference is community service providers and health professionals who would benefit from behavioral health education.**
