

2022 Iowa Water Conference Urban Stormwater & Watershed Award Nomination Form

Awards Recognizing Outstanding Performance Related to Urban Watershed Protection and Improvement of Water Quality in Iowa

This year we are expanding the award categories to include Iowa urban: stormwater, watershed protection, flood management, and monitoring efforts to improve local water quality. This can include policies, practices, and programs. Please select one category:

- Jurisdiction (City, County etc.)
- Development/Developer
- Outstanding Partner Award

Name of Person and/or Organization Nominating Candidate(s):

Address: _____
Phone Number: _____ E-mail Address: _____

Name of Nominee(s):

Name of Nominee and Organization: _____
Address: _____
Phone Number: _____ E-mail Address: _____

What has this jurisdiction, developer, or partner done that is worthy of recognition, to protect and improve urban water quality in Iowa. Please limit your response to 300 words or less and email this completed form along with electronic project photos. Additional narrative can be attached.

****Please send all completed nomination forms and pictures via email to Pat Sauer at the Iowa Stormwater Education Partnership (ISWEP) psauer@iowastormwater.org by September 2, 2022.**

The Awardee will be selected and notified by the ISWEP awards committee and presented with the award at the Iowa Water Conference September 28-29, 2022.
